Re: Fall 2004 Graduate Program Profiles

The Fall 2004 Graduate Program Profiles report should be useful as you consider your program's strengths, plan recruitment efforts, and manage enrollments.

Thanks go to Sharon Gunter (Graduate Admissions), Rebecca Alls (Registrar's office), and Deborah Templeton (Institutional Research) who provided the data for this report. Graduate Assistant Greg Kobus compiled and created the tables. Of course, without the contributions you, as a graduate faculty, make to Radford University's graduate education, there would be nothing to report. Thank you for your time and dedication to your programs and to your students.

Sincerely,

Dr. Carole, L. Seyfrit, Dean  
College of Graduate & Extended Education
